STEALTH

For Heavy-Duty Bending & Assembly Work

Built from stainless steel Aven's Stealth Pliers are designed for heavy-duty use. Featuring screw joint construction for maximum durability, these pliers are ensured precise tip alignment. Ultra-responsive dual leaf springs provide easy opening and closing for reduced hand fatigue during repetitive use. ESD safe, ergonomic hand grips provide protection against static build up and feel comfortable for all hand sizes. Ideal for projects that include forming, bending and precision assembly.
