### Conflict Minerals Declaration

As a global supplier, Aven International Inc. is aware of our obligations with regards to laws and regulations regarding Conflict Minerals, specifically the Dodd-Frank Wall Street Reform and Consumer Protection Act, Section 1502.

Aven does not directly source or process conflict minerals such as Tin, Tantalum, Tungsten, or Gold. Conflict minerals may be contained in our finished products in the form of solder, or as a component in metal alloys.

As part of our reasonable due diligence Aven has contacted component suppliers within our supply chain to verify their continued compliance with the regulations. Based on the information received, to the best of our knowledge thus far we declare that our products that may contain Conflict Minerals are sourced from conflict-free areas.

Sincerely,

A handwritten signature in black ink, appearing to read "Mark Kanpurwala", written over a horizontal line.
